Discover School Breakfast!

Our mission is to inspire and equip all students to continuously acquire and apply knowledge and skills while pursuing their dreams and enriching the lives of others.

It makes sense when students need to take achievement tests, schools strongly urge them to eat breakfast first. Why? Because we know that when students eat balanced meal, they perform better academically and are better able to concentrate. Yet on “normal” days, many students fail to eat breakfast: they’re too busy, they’re too tired, they don’t know what to eat.

Let’s inspire and equip students to perform better every day, not just on testing days!

Breakfast has vitamins and nutrients for a strong and healthy body. Breakfast at school is affordable, too. If you qualify for free and reduced price meals, you also qualify for the breakfast program, with no additional paperwork. You can’t find a healthy breakfast at such a low cost anywhere else.

Lakeview Middle – Gateway Education Center

Breakfast Pricing at all other schools:
