

## Handy Technology Web Addresses

Accessible directly via the web address or many are available through *TeacherPlace* log in as a link

- **District Webpage** - <http://warsaw.k12.in.us/>
  - All school websites can be accessed from here or access directly by adding the school name followed by a "." before Warsaw in the address
  - Best Practice: DO NOT make your teacher web page the same password as your computer log in
- **Staff Email** (Outlook) - <https://email.warsaw.k12.in.us>
- **Stoneware** (access to network folder – when not at school) <https://staff.warsaw.k12.in.us/>
- **Powerteacher** - online gradebook <https://powerschool.warsaw.k12.in.us/teachers>
- **Eduphoria** - <http://helpdesk.warsaw.k12.in.us>
  - **Helpdesk** – submit a help request for all things technology
  - **Facilities & Events** – reserve a computer lab, conference or project room within your building
  - **Formspace** – conference forms, hardware/software request forms submitted online
  - **Workshop** – enroll in a course, track professional development points
  - **Appraise** – teacher evaluation tool
- **Podcast Server** - <https://podcast.warsaw.k12.in.us/>
- **Moodle** - <http://moodle.warsaw.k12.in.us>
- **Math In Focus** – K-5 Online math book <https://www-k6.thinkcentral.com>
- **Mimio** - interactive whiteboard
  - **Tutorials/webinars** - <http://www.mimio.dymo.com/>
  - **Online Community / Lessons** - <http://www.mimioconnect.com/>
